ASSEMBLY INSTRUCTIONS

Your Folding Platform Cart requires assembly. Account for all parts and hardware before beginning assembly. If any parts are missing, damaged, or if you have questions or need additional instructions, **DO NOT RETURN THIS PRODUCT TO THE RETAILER**, call the manufacturer at **1-800-304-1316**.

Tools required for assembly: 12 mm wrench or 12 mm socket driver

Refer to the exploded drawing and the parts list below during assembly.

STEP 1: Turn platform upside down. Use the cardboard from the carton to keep from scratching or damaging the finish.

STEP 2: Place the fixed casters nearest to the end of the platform with the handle. Attach the casters using the (4) 12mm bolts and lock washers included.

STEP 3: Place the swivel casters nearest to the end of the platform without the handle. Attach the casters using the (4) 12mm bolts and lock washers included.

STEP 4: To open the handle into the operating position, lift on the handle until the handle locks into place. To close the handle, simply step down on the metal bar located at the base of the handle and fold the handle down to the storing position.
